## Mrs Cracknell's Message

What a night we had on Saturday evening in the school hall for the inaugural P&C Prawn and Chicken night. Lots of laughs were had, at the expense of others, particularly during some of the games played. Thank you to our P&C for putting on a wonderful evening and to the parents and community members who supported them. The P&C raised just under \$3000 in support of our multipurpose sports court. Thank you also to our sponsors of the night. They were:

Kootingal Hotel	Tamworth Landscape Supplies
Jess & James	Beautiful Image
Barbeques Galore	Red Rooster
Capital Glass	Sportsmans Warehouse
Autobarn	Quality Hotel Warehouse
KFC	Kooty Electrical
Kmart Tamworth	Kootingal Pharmacy

We also had some very lucky people who won our major prizes. I look forward to reviewing the Prawn and Chicken evening with our P&C at our next meeting in Term 4.

Our lucky 100 club winners were:

Please remember that supervision at Kootingal Public School does not commence until 9am. Until this time, students are sitting in our school grounds unsupervised. Kootingal Public School has an arrangement with Sherpa Kids to provide before and after school care. Sherpa Kids' Before School Care is open from 7am each week day. Children are welcomed into a warm room with qualified staff members who provide a breakfast consisting of breakfast cereals and toast. Sherpa Kids also offer an afternoon tea of fruit and healthy snacks combined with a scheduled homework time each day. To make care arrangements, please contact Vicky Loftus on 0481 364 554. **Please note that the Child Care Benefit and Child Care Rebate is available for eligible parents through Sherpa Kids.**

Our rock band went on tour on Monday this week with Mrs Richards to Wallabadah Public School. All went according to plan and our students performed splendidly. This was a wonderful opportunity for our students to test their wares outside Kootingal and the comfort of our school and take their talents far and wide. Our students relished this opportunity and did not disappoint. Thank you Mrs Richards for providing this opportunity to our students and to Mr Scott Cracknell and Ms Michelle Flemming for transporting our students and associated equipment.

More beautiful work from Mrs Chegwyn's 1CR class this week. Congratulations to Connor Corbett, Maverick Ramage, Taela McCahon and Aaleyah Atkins on their spelling work. Mrs Chegwyn sets high standards of her class and they are delivering. Keep up the great work 1CR!

Mr Bellis has been at it again with 4/5M! The students created masterpieces in visual arts with Georgia Madden and Emily Nicholls demonstrating great talent in illustrating an eye. Students viewed a YouTube clip of how to draw an eye and both girls performed exceedingly well. I am sure you will agree that they both created realistic effects. Well done Georgia and Emily!

## Mrs Cracknell's Message

This Friday marks the last week of our Kindergarten *Come and Try* days. This week's focus is Mathematics. I know all of our incoming Kindergarten students have enjoyed their time at 'big school' and are very much looking forward to commencing their schooling career at Kootingal Public School. If you know of anyone considering Kootingal Public School as the place to educate their child, please don't hesitate to contact the school and let us know. It is a pleasure to show our wonderful school to our community and future parents. See you on Friday students!

Friday is going to be an extremely busy day for both students and staff. Our Student Representative Council (SRC) is conducting a mufti and bike day and students in years 3 – 6 are participating in basketball clinics. It will be a fun but extremely busy day. Good luck SRC!

We have had another group of students receive their ICAS certificates for English. Congratulations to Bodin Wallace, Savannah Barber, Alexander Cracknell, Megan Johnson, Sophie Hobden and Ryan Hobden. Particular mention to Megan Johnson and Alexander Cracknell who received a distinction and credit respectively. Well done!

We are currently in the throes of re-establishing our Breakfast Club program. Last week I reported that we were successful in obtaining donations through the Kellogg's *Breakfast Buddies* program. This week it is my pleasure to tell our community that the Kootingal Lions Club have kindly donated \$500 towards the breakfast program. We are most appreciative of the support our local charity organisations are able to provide our school and value their contributions. If you would like to assist the school in the breakfast club program through a donation, please contact the school and talk to Mrs Buchanan, our School Chaplain, or myself. It does not have to be in monetary form but in products such as margarine, butter, jam, honey or vegemite. Thank you for your consideration.

Thank you to those families who have checked our lost property box for misplaced items of uniform. Please remember to come and check the lost property box, located outside the Administration block, if your child has misplaced an item of uniform. All clothing items will be donated to the clothing pool or another charity organisation on Friday.

During the holiday period, our school will undertake a number of capital works programs while both students and staff are off site. It is important to note that school grounds are inclosed grounds. This means that people are not permitted on the grounds without the authorisation of the Principal. Please ensure that our students are not attempting to access our school grounds during the holidays for their own safety.

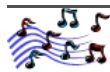

I wish all our students, staff and family a wonderful holiday and I look forward to seeing you all again in Term 4.

## Music Notes - Mrs Richards

This Friday 19th September will be the last chance to register for private in-school music tuition for next term. If you intend for your child/ren to participate, please return the note to me as soon as possible. It really helps to get everything finalised before the beginning of next term so we can start straight up in week 1. Students are encouraged to continue tuition in their instrument of choice from this term, however they do have the option of swapping. A tuition fee of \$100 will be due in week 1 of term 4. Please take note of the changes in payment to some tutors, as well as remembering that drum students will need to purchase a drum text book for next term. The one-off cost will be around \$35.

Each week several students receive a special music award for their efforts in music class. Congratulations to: Lochlan Muller – KLR, Zane Hyson – 1CR, Brodie Cain – 2M, Cohen Parkes – 2/3S, Jack Witten – 3/4W, Taleah Pinnock – 4/5M and Cameron Barber – 6G.

## Kootingal Sherpa Kids

Lively mornings were had this week with the kids playing a new game they named FOAM BLOCK FLINGING. Forts (tables) were set up at each end of the room and safety rules were discussed. The game proceeded with foam pieces being flung to one end of the room to the other. The kids all joined in and lots of laughter could be heard. Just the way we like it!

As Term 3 comes to an end Trudie and Vicky would like to say thank you to all the kids who joined us over the past 10 weeks. We would like to wish you a safe holiday and that we are looking forward to more fun and games next term.

New friends are always welcome.

Enrolment is free and as an approved and registered service we are able to reduce weekly fees via CCB to eligible parents.

For a quote please drop into the Centre during our daily sessions, 7am-9am & 3.30pm-6.00pm or for more information.
