## Mrs Cracknell's Message

This is the last edition of our newsletter for 2016.

It is this time of year when a teacher's eyes are bleary-eyed from late nights of report writing. That is also true of a Principal. Like always, it was a pleasure to read every student's reports and, as a Principal, I take pride in knowing that I read each report that goes out of our school as a formal piece of communication.

Report writing is a task that we take seriously, not just in the content but in the way it is written. This requires a lot of time, thought, preparation and consideration on our behalf. If you have any questions regarding your child's report, please make an appointment to see your child's teacher. We ensure reports are distributed in time for parents to carefully read their child's report and make appropriate appointments if required.

Our Craft Club with Year 2 students was in full swing this week. The students made stars from twigs and donated yarn. They are very proud of their creations and worked hard to produce articles from raw products. The production line of Christmas cards was also in full swing, so look out for these in your mailbox soon.

On behalf of the students and staff of Kootingal Public School, I wish our community the best and safest of Christmas times. Enjoy the festivities and I look forward to working with you all again in 2017. Take care.

#### **Dear Parents**

This year, to help parents provide some of the materials their child/ren will need to start the new year, the school has prepared a list of requirements. Please avoid buying cheaper brands such as pencils/textas/glue sticks etc as they don't last due to the quality. This particularly applies to glue sticks.

### NO WHITE OUT PLEASE. School Bag must be big enough to fit a library book and home reading folders.

Please be aware that the school is mindful of the expenses parents incur in sending their children to school and therefore these have been kept to a minimum. Obviously the school will provide many other materials that your child will need in order to have a happy and successful year in his/her class.
